ORDER

Now pending are the motion of defendants Texas Wesleyan University and President Frederick Slabach and the motion of defendants Texas A&M University School of Law and Dean Andrew P. Morriss to dismiss. On November 9, 2015, plaintiffs Kristin Brown, et al., filed an amended complaint, which purports to address at least some of the issues raised in the motions to dismiss. So that there will be no confusion, i.e., no need for sur-replies to replies that will raise new grounds for dismissal, the court is ordering that the motions to dismiss, which address the original complaint, be denied as moot.

The court SO ORDERS.

SIGNED November 10, 2015.

JOHN MCBRYDE
United States District Judge
